OC M-74-618
1 November 1974

MEMORANDUM FOR: Deputy Director for Administration
SUBJECT : Weekly Report

2. Latest word from the White House Situation Room is that there are now three options under consideration for Dr. Kissinger's remaining itinerary. OC continues to develop support plans and coordinate with affected Areas as new information becomes available.

3. [REDACTED] has returned from a trip to eleven [REDACTED] stations.

4. OC is responding to a request [REDACTED] for an estimate of costs if [REDACTED] Stations were terminated into our Base Station [REDACTED]. Our understanding is that the estimate will be used to compare the relative cost of establishing a new [REDACTED].

5. DDO/NE has informally advised that there will be a requirement for a communicator [REDACTED] sooner than originally planned. NE has promised to submit the requirement formally.

6. The DATEX system has arrived at Headquarters. Installation is expected to take several weeks. Testing is then expected to last several months before the system becomes operational.

7. The ARS-I installation [REDACTED] is proceeding. Hardware acceptance tests are expected to occur on 31 October.
